HELPING PEOPLE REACH THEIR GOD GIVEN POTENTIAL.

Brian Benton is a Jesus follower, Husband, Father, Friend, and Entrepreneur. **He is passionate about reaching people with the Gospel to multiply the kingdom of God and to inspire people to reach their God given potential**.

Brian is a high school drop out that graduated cum laude from Middle Tennessee State University with a Bachelor of Science Degree in 2011 at the age of 31. He founded his first IT business, Xccelero, in 2013 without any outside capital or loans after working in the IT field for 13 years.

He has written four books and created two systems: The Information Technology Offense System and Business Offense System.

Brian has served as a middle school youth pastor, life group leader, and Awana's small group leader.
